Prairie Quest certified as WBE with state of Missouri

Fort Wayne, IN – Prairie Quest has met the requirements to earn certification as a Woman-owned Business Enterprise (WBE) with the state of Missouri.

Certification as a WBE provides greater opportunities for Prairie Quest to bid on Missouri state contracts. PQC will appear on the Office of Supplier and Workforce Diversity Directory of Certified MBE/WBE Vendors. Both contractors and state agencies use this site as a resource in soliciting certified minority and/or female participation for ongoing projects.

In addition to being a certified WBE with the state of Missouri, Prairie Quest also holds the following designations: 8(a), SDB, HUBZone, WBENC, and DBE (state of Indiana).

Prairie Quest is an award winning professional services firm with an impressive track record of public and private sector contracts. With a wealth of experience and expertise, Prairie Quest provides innovative, cost-effective solutions in project management, acquisition management, advisory and assistance services, business process analysis, and technology services. They currently work with the Army, Air Force, Navy, National Guard, and Census Bureau as a federal contractor.
